

October 21, 2019

Dear colleagues:

**Announcement and Call for Applications of
GMA Workshops 2020**

Daejeon, Korea

It is my great pleasure to announce that Global Metrology Academy (GMA) of KRISS is going to offer a couple of workshops in 2020. The first one is scheduled to take place for the two weeks of March 23 – April 2, 2020 covering the key subjects of Metrology in Acoustics, Ultrasound and Vibration (AUV). In addition, we are pleased to be ready to offer another one workshop addressing Metrology in Analytical Chemistry (MAC) for the two weeks of June 15 – 24, 2010.

[GMA Workshops 2020]

Themes	Dates	Applications by
Acoustics, Ultrasound and Vibration [AUV]	March 23 – April 2, 2020	January 10, 2020
Metrology in Analytical Chemistry [MAC]	June 15 – 24, 2020	March 20, 2020

Intensive technical sessions are effectively designed with lectures and hands-on exercises of basic/intermediate level, so that they could get better understanding of fundamental knowledge and advanced skills of measurement that are prerequisites for participants to play a leading role in their professional fields of metrology. It will enable them to better meet the needs of customers across wide sectors with quality measurement services. A two-day session of MiG, Metrology in General, followed by technical sessions, features the GMA courses, addressing the issues of CIPM MRA (KC-CMC-traceability), uncertainty in measurement, revised SI and QMS.

In view of better performance of learning, each course will accept **around 10 participants**. Enclosed please find the overview of the GMA workshops 2020 and application form, which present provisional programs, qualification/requirements for application, and financial arrangements. For any inquiry about applications, please contact Mr. Sangwook Seo of GMA at swseo@kriss.re.kr.

Wishing you all the days to come filled with good health, prosperity and love!

Sincerely yours,

Jookeun PARK, Ph.D. jpark@kriss.re.kr
Head, Center for Measurement and Training Services
Korea Research Institute of Standards and Science (KRISS)
